HEALTH & MEDICAL PROGRAMMES

COVID -19 SUPPORT PROGRAMME:

Corona virus's devastating impact includes lack of medical supplies and essentials worsening the second COVID wave hit in India. The impact of the COVID-19 has dramatically impacted people of all economic strata, in all age groups across states. This time the humanitarian crisis is unprecedented with numbers spiraling out of control with Covid reaching the villages and rural areas. With thousands coming forward to help, we at RICE, are trying our best to deliver free COVID -19 Grocery Food Support and Telemedicine Services at the doorstep for the entire quarantine period for low/no income families whose family bread-earners has been forced to stay isolated due to COVID hit and ill-health.

Grocery kits for Free RICE and TRRAIN worked together to create a food grocery delivery program for Hyderabad residents at high risk of food insecurity during the onset of the COVID-19 crisis. The program Grocery kits bag of produce and shelf stable food items to eligible individuals and families.

Our COVID program made 600 deliveries 600 unique households from 5th September to 10th November-2021. 20 volunteers completed .20 volunteer shifts during this time packing and delivering groceries. This program was one of our largest programs to date and we could not have done it without the support of our community. Thank you to our volunteers, donors, and community partners. We are beyond grateful for your help.

FREE -COVID -19 VACCINATIONS, SANITIZER AND MASKS DISTRIBUTION PROGRAMME:

In the fight against the global pandemic, India's national vaccination programme has been one of the most successful and largest vaccination programmes when compared to many developed western nations with significantly low population base to vaccinate, it said. This organization organized COVID-19 vaccination on 22/2/2021 at Gajuwaka BC Road Kakatiya IIT campus. Pedagantyada PHC Dr Ramesh Babu, Pedagantyada Health officer Dr. Anuradha and local leader address the beneficiaries.

Hyderabad: In a bid to ensure COVID-19 vaccination of the elderly, homeless people, roadside hawkers and other intellectually disabled people, a Hyderabad-based nongovernmental organization (NGO) Rural Institute of Centre for

Excellence started an initiative called 'Free covid-19 Vaccination'. with the support of TRRAIN It has been 28 days since the free-of-cost initiative was launched, and over 2000 beneficiaries for the first and the second dose have been inoculated as part of this effort at government and private vaccination centers. Due to the COVID-19, lockdown many people were afraid to come out and get vaccinated, as arranging transportation was also a

hassle. To help bridge the gap between the transportation and the vaccination, the drive was initiated. „Our sole purpose is to safeguard the lives of senior citizens, homeless and vulnerable people who are finding it difficult to administer the vaccine.”

To make it easier for people, more than 50 mobile vaccination vans are stationed at four zones of Hyderabad, Ranga Reddy of Telangana and Vishakhapatnam, Vijayawada and Kakinada of Andhra Pradesh to take the people to the vaccination centers.
